2

Enter Address or plate #

Click to turn map layers on and off

3

Click Zoom

Use these buttons to draw and measure on your map. Print your results if you'd like.

From the layer list you can turn on:

- Douglas County Zoning
- Urban Growth Area (U.G.A.)
- Plats
- Certificate of Survey (under the Land records tab)
- Transportation - click on the road for road classification, frontage and setback requirements.
- External Data has Floodplain and Soil data, & Rural Water District

Clickable triangle – Click and more options will open
